# 4U Collection at a Glance

Design by **Ece-Oğuz Yalım**

---

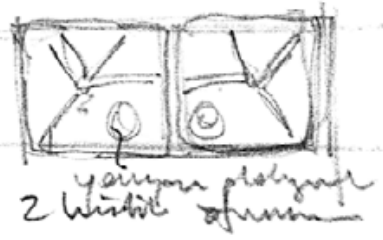

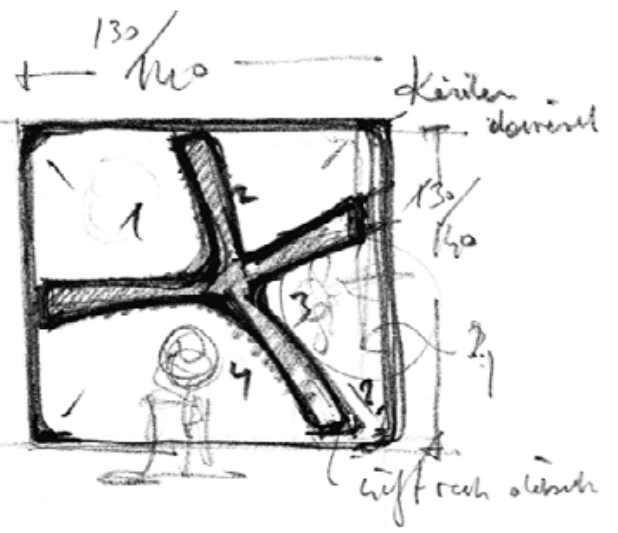

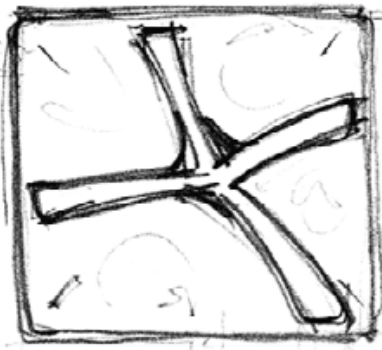

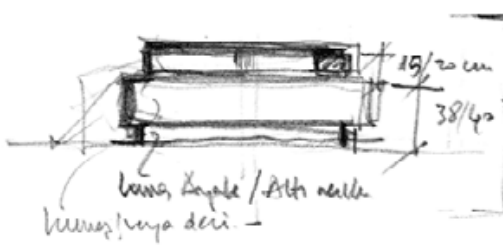

## Socializing colourfully.

4U creates cosy and lively areas with a design that encourages socializing in shared areas. With an adjustable backrest support defining sitting spaces, 4U offers comfort beyond your expectations.

**Cheerful, social, and energetic spaces...**

Ece-Oğuz Yalım

A photograph of a modern lounge or waiting area. The walls are covered in dark wood paneling with horizontal lines. The ceiling features recessed rectangular light fixtures. The floor is made of dark, polished tiles. Several contemporary armchairs with light-colored backs and dark seats are arranged in the room. A staircase is visible in the background on the right side.
