4U Collection

Design by **Ece-Oğuz Yalım**

2010
İYİ TASARIM ÖDÜLÜ

reddot design award
winner 2009

Socializing colourfully.

4U creates cosy and lively areas with a design that encourages socializing in shared areas. With an adjustable backrest support defining sitting spaces, 4U offers comfort beyond your expectations.

reddot design award
winner 2009

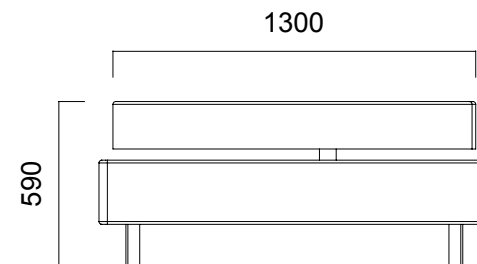

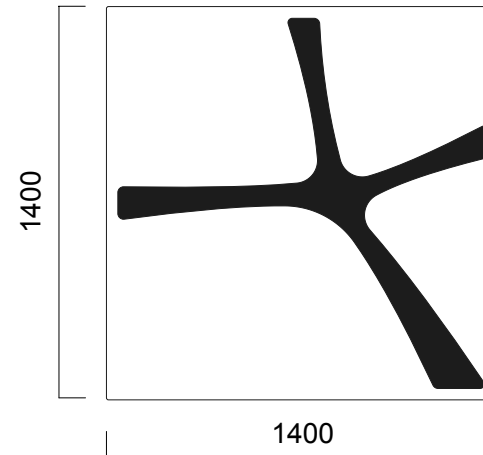

The special design of 4U encourages both communication and socializing, whilst injecting colour and dynamism to living, work, and public spaces, as well as universities and hotels.

Backrest support in 4U collection defines 4 sitting spaces of different sizes, while providing comfort. Featuring a rich variety of colour and material options, 4U easily fits into characteristics and style of usage space.
