4U

Design by **Ece-Oğuz Yalım**

4U

With a design to support socializing and communication in open offices, social areas, waiting rooms and lounges, 4U creates a lively and joyous environment.

Adjustable backrest support in 4U collection defines sitting spaces in different sizes, while providing comfort beyond your expectations. Featuring a rich variety of colour and material options, 4U seamlessly fits into characteristics and interior design of usage space.

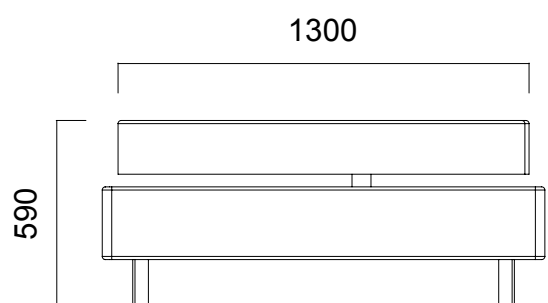

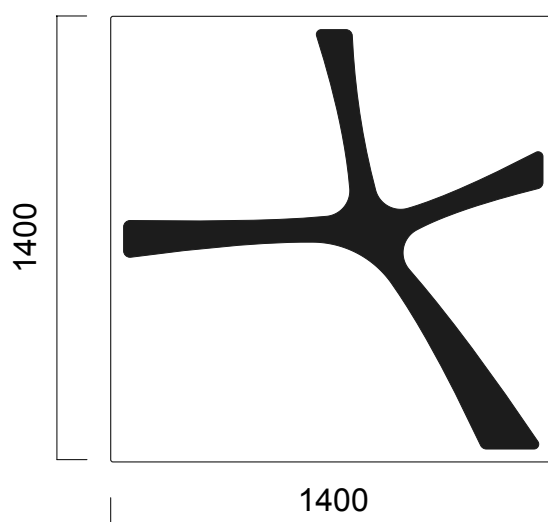

Design by Ece-Oğuz Yalım

Oğuz Yalım established Artful Interior Design company in 1996 with Ece Yalım, and Ece Yalım Design Studio in 2004. Ece and Oğuz Yalım continue designing products along with interior spaces; in addition to their own brand, they design home and office furniture, lighting and accessories for AHK Interiors, Arlight, Ar-Yıldız, Atlas Carpets, Kale, GW Global Warehouse, Nurus, Moonlight, Paşabahçe Stores and Rapido.

Colourful, cosy and intimate...
