Claire Collection

Design by **Nurus D Lab**

Alluring and comfortable...

Claire features a rich variety of colour and material choices to complement its simple design, and easily blends into all living spaces from homes to executive offices and social areas.

Providing a high level of comfort with measurements to match that of human body and a wide seating surface, Claire adds elegance to comfort with classy metal legs and perfect stitching.

Timeless design and simple looks of Claire makes it an ideal choice for all living spaces, including executive offices, cafés, and waiting rooms.

In addition to rich colour and material choices, Claire also offers a variety of options to configure areas in different sizes harmoniously and functionally with single, double, and triple choices.

Wholesome looks and perfect stitches of Claire provide flexibility to combine it with either classic or modern accessories to achieve the effect you desire for the environment.
