Greta Collection at a Glance

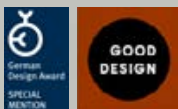

Design by **Nurus D Lab**

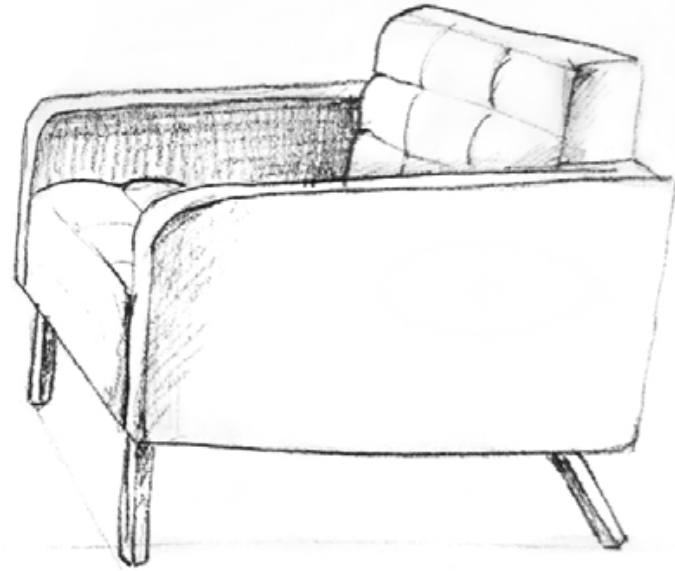

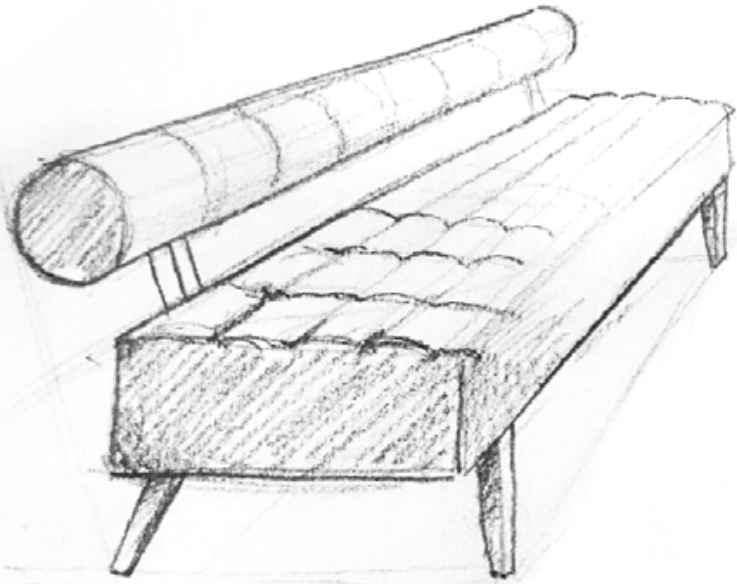

Retro lines to bring 60s spirit back to life.

Featuring retro lines combining past and future, Greta brings back 60s spirit to modern day. With a wide product range and rich variety of colours, Greta blends into all living spaces including homes, social areas, hotels, and workspaces.

Named after the iconic 60s star Greta Garbo, Greta introduces the spirit and warmth of the era along with comfort.

Greta High Backrest Sofa

Nurus D Lab

A 3D rendering of a modern, green tufted sofa with a white coffee table. The sofa has a diamond-patterned tufting on the backrest and seat. On the coffee table, there is a white mug, a stack of books, and two small toy figures. The word "nurus" is written in large, bold, white lowercase letters across the center of the sofa. The background is a plain, light gray surface.
