Greta Pouffe

Design by **Nurus D Lab**

Greta Pouffe

Greta is named after the 60s star, and appropriately delivers 60s spirit to usage space. Seamlessly fitting into any space with a wide variety of colour and material choices, Greta also offers sturdy structure, surprisingly lightweight, and soft quilted fabric, creating comfortable, cosy and lively living spaces.

Greta pouffes bear iconic retro lines, establishing integrity and harmony in usage space. Facilitating effective use of large spaces as well as small, Greta pouffes can be used in homes, workspaces, and public spaces alike.

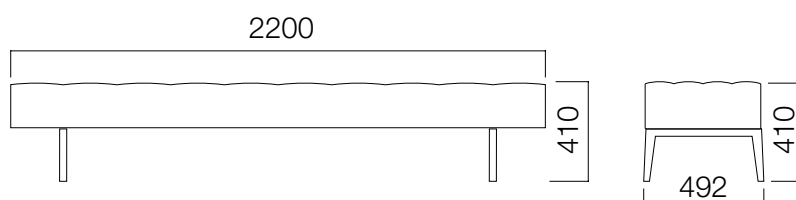

Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D Lab designs products that are ahead of their time. Through human-centred observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D Lab manages it all. Each detail is attended and tested through at the advanced level.

Introduce warmth of 60s spirit into your life with Greta pouffes.
