Luna Collection

Design by **Nurus D Lab**

Great choice for classic elegance.

Luna offers a clear and smooth look with clear geometric lines. Wide product family and upholstery options of Luna seamlessly fit into spaces of varying sizes and usage space interior design.

Featuring a simple and classic design, Luna is an ideal choice for all living spaces including homes, workspaces, social areas, executive offices and waiting rooms.

Rich colour and fabric options provided by Luna makes it very compatible with other furniture and accessories. Wide Luna family featuring single, double, triple, single with no armrest, and single with one armrest helps utilize spaces of different sizes efficiently. Thanks to versions with one or no armrest, Luna offers a series of combinations.
