Tara

Design by **Koral Erat**

Tara

Tara reflects formality and comfort with its simple and modern design. Tara delivers cosiness and warmth to usage areas with its wooden legs, while Tara Soft offers wooden and metal leg choices. Rich colour choices and leg options of Tara blends with interior design, while adding to desired effects.

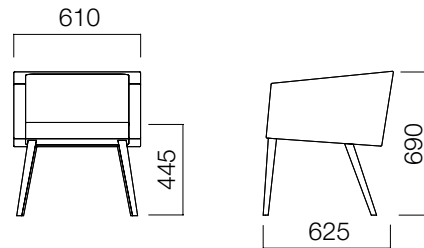

Featuring single and double armchair options, Tara can be utilized in all living spaces from executive offices to homes, cafés and restaurants, and waiting rooms.

Design by Koral Erat

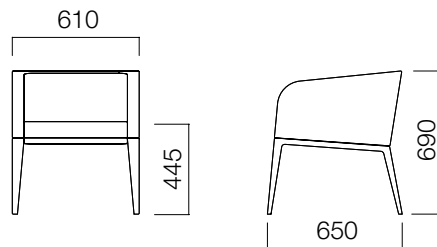

Having graduated from Interior Architecture department of Marmara University, Koral Erat has been working in product design and interior design fields. Since 2009, he is providing consultancy services to KM34 Interior Architecture.
